“Recognizing Women’s Efforts,  
1861-1865”

The Society for Women and the Civil War (SWCW) is dedicated to recognizing the lives and contributions of women who lived through, or participated in, the American Civil War, as well as those who research, reenact, or otherwise honor these women of the past. The society sponsors an annual conference and two publications: the monthly “Calling Card”, which provides announcements of events of interest, and “At Home and in the Field”, a quarterly e-journal which features the research interests of members. The website also hosts a calendar on which members can post information about upcoming Civil War-related events.

SWCW offers scholarships to college and high school students. It supports the research of members and provides opportunities for cooperation in that research.

SWCW encourages members who are reenactors and offers presentations and networking to assist them in researching their subjects and in establishing and strengthening their impressions.

Annual memberships for individuals (\$25.00), for individuals (plus one) (\$40.00), for students (\$15.00), and for organizations (\$55.00) are available and provide discounts for registration for the annual conference. Dues may be paid via PayPal at SWCW’s website or via a check mailed to SWCW.
