

**ATLANTA, KENNESAW,
MARIETTA & ROSWELL
GEORGIA**

Of all Civil War Western Theater campaigns, the Atlanta Campaign can be described as having the greatest impact upon civilians. Atlanta and its northern environs – especially Kennesaw, Marietta and Roswell – have a great density of historical sites which tell the stories of women who endured the fighting and aftermath.

Conference Partners:

**Kennesaw State University's Center for the
Study of the Civil War Era & the Georgia
Battlefields Association**

SWCW is dedicated to recognizing the lives and contributions of women who lived through, or participated in, the American Civil War. It also supports those who research, reenact, or otherwise honor these women of the past. The society sponsors an annual conference and two publications: the monthly "Calling Card," providing announcements of events of interest, and "At Home and in the Field," a quarterly e-journal.
